Quote Authorship Certificate

This document certifies that the philosophical question:

"What if escaping the rat race is just another illusion or trap?"

was originally authored and publicly claimed by:

Name: David Zachariah Chung

Nationality: Nigeria

Date of Authorship: July 2025

This quote explores a layered existential paradox questioning whether the perceived escape from systemic societal constructs (the "rat race") is itself another form of illusion or entrapment. It is now preserved as an original philosophical contribution by David Zachariah Chung.
